U.S. DISTRICT COURT

v.
James Deloach, et al.,
Defendants

Response

Comes Now, the plaintiff Dexter Eugene Holmes with a response and hereby files his response in the above stated cause or action.

Plaintiff received answer from defendants attorney and sworn affidavits from defendants in this cause May 16, 2007 along with a rule violation report, body charts of the assaulter, and body chart of plaintiff.

Defendants has failed to adhere to the order of the courts dated 16th day of April 2007 page 2 of 5 whereas, defendants was ordered to include copies of all such applicable administrative rules, regulations or guidelines relating to plaintiffs disciplinary actions.

The defendants and their attorney has failed to adequately review the plaintiffs complaint therefore defendants request for dismissal should be denied.

As the Plaintiff in this complaint I reject each and every element of defendants and their attorney answer to plaintiff complaint. Plaintiff now submits evidence in this cause of action, which will show that defendants submitted false affidavits under oath.

Exhibits #1) Written Grievances To Warden Deloach

Exhibits #2) Written Grievances To Deputy Warden Billups

Exhibits #3) Written Grievance To Lieutenant Tarrance

Plaintiff also refers to Farmer v. Brennan as a supporter of Plaintiff cause of action. Injunction §3 - threatened injury, One does not have to await consummation of threaten injury to obtain preventive relief.

Injunction §§ 72, 130, 133 - Prisoner - risk of serious harm pleading and proof

Plaintiff also refers to the Defendants Exhibits Exhibit A) Inmate Holmes body chart which shows that Plaintiff was indeed injured in this incident but body chart fails to show where Plaintiff finger nail was severely broken at the root and is now coming off. Body Chart of Plaintiff fails to show this as to demonstrating actual injuries to Plaintiff.

Plaintiff wishes not to make this law suit difficult for defendants, but defendants has submitted untrue statements, and failed to submit applicable administrative rules, regulations or guidelines as ordered.

Judges order as pertaining to this cause of action.

Plaintiff says that discovery is not complete in this cause as to plaintiff constant movement while at Drapers that caused plaintiff to be housed in same dormitory with assaulters.

Plaintiff refers to Exhibit C of Defendants Exhibit Living Agreement. Living Agreement stated that any violation of this agreement will result in disciplinary action for all parties.

There was no violation of the living agreement and therefore no disciplinary action should have resulted.

Plaintiff initial complaint ground one clearly established a reckless disregard violation of Eighth Amendment Cruel and unusual clause of constitution which grievances will show that defendants was made aware of substantial risk of serious harm but due to grievance's filed a deliberate indifference resulted in a failure to protect.

Defendants has attempted to rectify the situation by transferring plaintiff to another facility.

Additional Discovery is needed in this cause of action such as Housing roster of initial movements conducted by Sgt. Sonja Rose as she so admitted in her affidavits.

Plaintiff refers to continuation of Supporting Facts of Plaintiff initial complaint and grievances that support plaintiff initial complaint and moves

this court to proceed in evidentiary hearing in this cause of action.

Plaintiff also would use as case supporting law "Wilson v. Seiter, 501 US 294, 298, 115 LEd 2d 271, 1115 Ct 2321; Canton v. Harris, 489 US 378, 103 LEd 2d 412, 109 Sct 1197; Pennsylvania v. West Virginia 262 US 553, 67 LEd 1117, 43 Sct 658 Holling v. McKinney 309 US 25 LEd 2d 22, 1135 Ct 2475 Hudson v. Palmer 468 US 517, 526-527, 82 LEd 2d 393, 104 Sct 3194 (1984)

Defendants has indeed violated plaintiff's constitutional right or caused a deprivation of plaintiff constitutional right and Summary Judgement should be entered in favor of plaintiff true proven allegations.

Plaintiff also cites West v. Lowe, 448 F Supp. where the plaintiff in this cause of action was allegedly stabbed after officials ignored his repeated letters notifying them that his life was in danger.

Defendant Samuel Johnson has submitted contradicting statements on his sworn affidavits in contrast with Exhibit C Inmate Holmes disciplinary report. Defendant Johnson said that he observed two unknown inmates later identified as inmate Dexter Holmes and inmate Ramon Cortez engaged in a physical altercation on Deapers Recreation Yard behind F-Dorm. His statement is that he Officer Johnson immediately radioed Officer Randall Hawn and all available units to report to the back of F-Dorm.

Defendant Samuel Johnson also said that he identified inmate Cortez and Holmes via radio to Sgt. Rose. These statements is untrue

and a true trial of facts will see that at no time did any defendant say that they broke a fight up or stopped inmate Coates from assaulting me. Plaintiff still says that defendants failed to respond in a timely manner therefore plaintiff was injured thereby defendants failure to respond.

See Appeal DCC 07-0254-2 paragraph 2 where plaintiff says that he was picked out of a line up by another officer, "This because plaintiff was the only one bleeding." The body chart will show that plaintiff finger was severely injured and plaintiff finger nail has not gotten well yet. The facts are the defendants failed to protect plaintiff; "Plaintiff warned defendants of his dangers even before plaintiff was ever assaulted. Defendants ignored plaintiff grievances, and inmate requests as the facts will show.

Plaintiff says that defendants request for dismissal should be denied on grounds of evidence.

Plaintiff says that defendants has indeed violated a clearly established constitutional right Eighth Amendment Cruel and Unusual Punishment, even defendants went beyond rules and regulations, guidelines of discipline. See Attached Number 504, Number 503

Plaintiff says that Officer Samuel Johnson watched the assault take place and waited till altercation begin and ended before radioing to Officer Hawn, who was already on the recreation yard.

This is the reason at no time it is said in affidavits that any defendant stopped the assault which resulted in a altification.

Ayala Serrano v. Lebron Gonzales, 909 F.2d 814 (1st Cir. 1990) (upholding judgement against guard who witnessed ambush and stabbing of inmate but did nothing to stop it) Stubbs v. Dudley, 849 F.2d 83, 86-87 (2^d Cir 1980) Davis v. Zahradnick, 600 F.2d 458 (4th Cir 1979)

Defendants in this cause of action has submitted false affidavits as it will show by the greivances that was written and deliberately disregarded.

Defendant Deputy Warden Phyllis Billups went beyond her duty and administered punishment that is not a part of disciplinary procedure as attached Number 503 Authorized Punishments for Major Violation will show as well as Number 504 Institutional Disciplinary Procedure Inmate Handbook pg. 48 Paragraph 4 will accomodate Plaintiff initial Complaint and Continuation of Facts.

Defendant Lieutenant Quendolyn Tarrance failed to investigate this incident and therefore rendered a guilty verdict on false violation report.

Plaintiff now submits his completed response to defendants answer, in total disagreement with defendants.

Plaintiff prays that the courts will examine the evidence throughly and grant relief to the plaintiff.

Plaintiff prays that Rule Violation Report will be ~~ex~~ exonerated from plaintiff institutional files, and plaintiff transferred to Work Release.

Plaintiff prays that defendants are not harmed monetarily, but reprimanded for their unethical conduct regarding this entire situation.

Plaintiff prays that the courts will allow further proceedings in this cause of action where additional discovery is needed, other witnesses allowed to submit sworn statements in this cause of action to better ascertain the truth.

Respectfully
Submitted

Sir I have written you once before informing you about officers conduct towards me. On February 8, 2007 I was threaten by Sgt. Logan. This Sgt. made the statement of dragging me down the hall by using very vulgar and abusive language. Sir I am afraid that one of your officers is going to physical assault me which is against policy and procedure. also Civil + Constitution, Human Rights. Sir your officers have a very high reputation of assaulting inmates. Before I become a victim of an Officer Assault, "Please transfer me from this Facility."

I am experiencing this same treatment on the job, that I have been on for over 120 days. Sir I do not have any disciplinary citations. Sir I do conduct my self accordingly to the rules and regulations here at Draper Correctional Facility. Sir please understand although I have been exposed to cruel and unusual punishment all in violation of my 4th amendment right. I am attempting to resolve this issue before it escalate into a legal confrontation from a U.S. Marshal. I am not ignorant to the law, but I respect authority. Corrupt Authority is the worse type of environment to serve time in. I'm very aware of this type of authority as I am dealing with a Civil law suit now concerning these very issues, but worse. At this time I am serving a 10 year sentence. I have been incarcerated since October 11, 2005.

I am being housed around inmates with more serious crimes and greater amounts of sentence. This does not mix. In the past I have been assaulted by inmates and officers. All due to corruption. I am requesting reclassification and housing. Sir I am doing this with the upmost respect for your Authority. Please assist me sir. Please address the issues named regarding your officers Officer Williams 1st shift and Sgt Logan and shift. Sir please. Thank you. Sir I know. Sincerely, [Signature]

Warden DeLoach I am still experiencing threats, and cruel and unusual punishments. This morning Squad Officer Ladd over squad #6 used vulgar and derogatory language towards me calling me bitches and threatening to do me bodily harm. I'm aware that inmates are allowed by the Squad Officers to settle their differences on the farm by fighting for five minutes.

Grievance

Warden DeLoach I have written you numerous grievances pertaining to my life being in danger at this facility. I am still experiencing threats and abusive behavior from inmates and guards.

Thursday morning I was placed on early morning wake up by Sgt. King, because I was few minutes late, due to excessive punishment imposed by Deputy Warden Billups, and your approval of the same.

I'm being punished severely for one disciplinary violation. You approved of 45 days extra duty on 2nd shift and 45 days loss of all privileges including store, telephone and visits.

Deputy Warden Billups exceeded your approval and placed me on the farm where I am being harassed and threatened by inmates and guards. I am being made to perform unconstitutional job assignments. There are no gloves, and the tools being used are dull to the extreme. I am being made to cut down thick bushes and small trees that have thorns on them. This is very cruel treatment.

while the guards watch. This is a very dangerous situation. Sir I am requesting to be transferred from this facility. I am being constantly harassed by the guards here and I fear for my life in this facility. Also I would like to inform you that Deputy Warden Billups sent the illegal disciplinary report to my judge in attempt to cause me to do more time. Sir this administration is seeking to harm me anyway that it can. I'm being targeted by this administration. I have received a citation from Officer Singleton and Steward Nichols whom I wrote ~~up~~ to you about Steward Nichols calling me derogatory names and speaking about my sexual preference.

Sir you did not respond to my last grievance. I am constantly in fear for my life, especially on the farm where inmates have access to weapons. I explained to you my situation before all of this evolved. I requested assistance before I was ever assaulted by Ramon Cortez. Now I am being victimized and harmed. Once again ~~My~~ My Life Is In Danger Here At This Facility. Please Arrange For Me To Be Transferred. I have begun legal actions already and contacted my family regarding condition of confinement.

To: Whom It May Concern:

This is an urgent request to be housed in a less hostile environment and away from Inmate Lamon Cortez whom assaulted me on February 10, 2007 on The Recreation Yard. I am a 38 year old black male inmate with a 10 split 3 sentence scheduled to be released in 2008 November 25th. I have been punished for this incident over and over again. The altercation did not occur in the cell I was housed in, so I should have never been moved in the 1st place. Now I am being subjected to more physical harm or possible more trouble which could affect my prison confinement. I am requesting in good faith to be moved to B-dorm immediately, the dorm that is designed for older men inmates. I feel as though my life is being placed in danger by this administration especially by Sgt. Lase who is the sole conspirator of this constant movement and exposure. I'm willing to take the necessary steps to begin a civil action against this cruel and unusual behavior that is being displayed by certain officers of Alabama Corrections. I have lost 45 days of all privileges 45 days extra duty. I have been stripped of my cell cleaner job and placed on the farm when recommendation for incident was 45 days loss of all privileges 45 day extra duty. Please Put me in old men cell block Dexter Holmes
